

1. Cut out and arrange the cards below to make five sets of four connections.

Find the connections!			
Vagabonds	Gilbert	Idle poor	Knatchbull
1601	Sturdy beggars	Workhouses	Parish
Vagrants	Price of bread	Widows	Number of children
Settlement	Disabled	Wages	The sick
Orphans	Unions	Relief	Board of guardians

2. Explain each connection fully.

## Teaching notes

These connections grids are based on the quiz show *Only Connect*'s word wall. The challenge is for students to find the connections between the words.

An interactive version of this is available (for subscribers only) with just four rows of words.

You could go to the BBC's Only Connect site and play the music from the quiz as a background while students try to solve the wall!
